INT. FAMILY LIVING ROOM - NIGHT

A couple watch the news at night. Videos from the January 6th Capitol riots appear on TV.

VOICE OVER

This was a tough year, and your kids are probably asking a lot of questions.

Suddenly, the husband turns around to find his son watching the news from behind a door. They lock eyes and the son runs into the other room. He chases after him.

INT. KITCHEN - CONTINUOUS

He catches up with his son in the kitchen.

SON

I'm scared Daddy. What's going on?

VOICE OVER

Wish there was a better way to explain the news to your kid?

The two hug as his father nods.

VOICE OVER (CONT'D)

Don't worry! We here at Lego know a thing or two about connections.

SON

(to camera)
Lego?!

VOICE OVER

That's right! So let us help explain the news in the best way we know how!
